Managing Director's Message

We are living in a fast changing world, a changing society, progressing at galloping speed, impact of science, scientific research, technological development, globalization on our daily life is vibrant and unavoidable, So the need to be geared up for tomorrow is for greater than ever before,

Opportunities before us are immense and the task is onerous. With this mind, we continue to march steadily towards our aim to provide responsible citizens who will participate in nation building. Its fact that the progress of nation depends upon the quality of its teachers, so along with providing responsible citizens, teacher effectiveness and efficiency is the goal of the Institution. The total system of education can be overhauled and streamlined only when the teachers are well trained professionally and personally.

Along with preparing of the board base of the teachers the training methodology, skills and educational administration through intensive practice of teaching, micro-teaching and internship are rigorously given, in which practicing schools are also engaged. The College has as its backbone excellent infra-structure, teaching laboratories and general facilities are amongst the best.

"For everyone of us that succeeds, its because there's somebody there to show you the way out" we're one of them.

Thanking you

Message from President of College

Khalsa Mahavidyalaya, Bilaspur (Rampur) is an epoch making higher education institution. It is playing a significant role in shaping the ethos of the society. Through education we are dedicated to imbibe a spirit of national character amongst the students. We

at CPC believe that the basic purpose of education is to replace an empty mind with an open one. The objective is to extend the horizon of knowledge dynamics of business, nationally and globally.

I congratulate you on your decision to join one of the most prestigious Institutions of higher learning in central India. It is an Institution that has carved a deep niche in the annals of education and is surging ahead towards the zenith of education. The college has skill development cell "Super CPCian", Video Lectures, provisions for online exams at college level and scores to mention, which is a perfect blend of knowledge, Innovation and Excellence. CPC is the only college that not only connects the students with the society with wide array of activities, but we inspire them to participate in extension activities which effectively bridges the gap between the education and employment.

College life for you may mean freedom from the strict disciplined school regime, but remember, discipline leads you to become a successful person. Do not hesitate to approach your teacher or me for guidance.

Wishing you a purposeful stay and a bright career ahead!

Baldev Singh Aulakh
President
